Dear Ms Liu

Further to the Information Commissioner's letter dated 1 December 2025 and our conversation earlier today I would like to confirm the above matter has been allocated to me to progress.

My understanding is you object, in summary, to the agency's decision for the following reasons:

1. Unreasonable Interpretation of Scope;
2. Inadequate Search Methodology
3. Implications of Total Non-Documentation

Additional information, in respect of their decision, has been provided to this office by the agency. I will review the agency Freedom of Information file, your complaint and any additional submissions received from the agency. I will contact you after I have additional information to provide or if I require additional information.

Please let me know if you have any queries or concerns in the interim.

Jennifer Libby
